

Preston Athletic – Disability Access Action Plan

UPDATE – JULY 2017

The wheelchair access ramp into Clubhouse has been renovated and installed allowing full access for all users. Disabled toilet facilities are located within the Clubhouse and also at the north end of the stand at the exit of the disabled access ramp into the main stand.

The Club are in discussions with the Pennypit Trust about building a new covered viewing platform for wheelchair users and their assistants with no obstructions to sightlines.

The Club plans to carry out an access appraisal with an appropriate disability group prior to the end of 2017.

UPDATE – JUNE 2018

The wheelchair access ramp into Clubhouse has been renovated and installed allowing full access for all users. Disabled toilet facilities are located within the Clubhouse and also at the north end of the stand at the exit of the disabled access ramp into the main stand.

A new covered viewing platform to accommodate two wheelchair users and their assistants with no obstructions to sightlines will be in place prior to the start of season 2018-2019.

The Club has arranged for an access appraisal with officers from East Lothian Council's Disability Access Panel to be carried out prior to the start of the season 2018/2019.
